About the mentor

Ajay Rungta -

A trailblazer in the tech industry, Ajay Rungta brings over 15 years of expertise, including 11+ years as a founding engineer at Practo, where he played a pivotal role in building one of India's most iconic health-tech platforms. An alumnus of BITS Pilani, Ajay is now a dynamic solopreneur, startup mentor, and angel investor, empowering the next wave of innovators across India, the US, and Europe. As a mentor with prestigious programs like T-Hub and NSRCEL, he has guided 50+ founders and professionals in the startup ecosystem over the past 18-20 months. With a passion for enabling visionary founders, Ajay combines deep technical insight with strategic mentorship to drive impactful growth.
